

FEATHER RIVER RAIL SOCIETY

General Superintendent's Report

Kerry Cochran

Date: Feb. 7, 2022

As we start to look into 2022, and with the rise of the next strain of the COVID virus, I hope that all our members, volunteers and staff take caution and remain safe.

As we move into 2022, some of the museum staff is looking into getting several items ready to open for the 2022 season.

Loren Ross, Superintendent of Operations is working on getting the annual crew training ready for the first training date on April 9th at 10AM at the museum.

Keep an eye on the society's website for news and information. New items are posted each month and as things come up.

One of the next society's events will be the WP Convention being held in Reno May 12-15, 2022. Sign-ups are being taken, both by mail and through the website. Please plan on attending.

While this report is short, as we get into the season, I will be reporting on more things taking place at the museum and with the society.

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.

Kerry Cochran

Director/General Superintendent
