Confirmation emails have been sent out where I ask for headcounts on the Thursday depot mixer and the Sunday museum event. Numbers below are tentative, as some still have not responded or are not sure yet.

Thursday Depot Mixer 5

Sunday Museum Event 10 with 3 confirmed bus seats

I'm also attempting to contact 4 people who never responded to refund queries sent out in 2020 and 2021.

With the new mail-out flyer, if there's not a surge in pre-registrations soon, I can also send individual emails to all others who pre-registered in 2020 and 2021.

With just over 7 weeks left in pre-registration, these numbers may look grim. But I can count at least 11 others who should be registering in the near future.
