7:00PM	Dinner begins
8:00PM	Banquet Presentation
10:30PM	Event concludes - Thanks for attending!

Help the WPRRHS Preserve the Original 1903 Western Pacific Railway Articles of Incorporation

On loan to the FRRS/WPRRHS are two books of vital importance to the history of the WP, the original 1903 Articles of Incorporation and a huge book of invoices and receipts from the original construction era of the railroad. These paper artifacts are loaded with interesting and historically significant information on the creation and construction of America's "Last Transcontinental Railroad". The books and their contents are in a rapidly declining condition and we don't know how long we will have access to them so we are urgently recruiting donations to fund the digital preservation (scanning) of all the contents in these books before they reach a point of no return.

Our goal is to raise \$10,000, which will cover all the scanning and archiving of the approximately 4,500 digital files these two books are expected to provide and this material will become the cornerstone of the collection in the archives of the Arthur Walter Keddie Railroad Library.

Athearn Trains has generously donated two significant items for this special raffle, a **Genesis A-B-B F3 HO locomotive set** and a new **Genesis HO WP FP7**, which will not even be in stores for several months. Also, acclaimed railroad artist **Marc Desobeau** has donated a signed and numbered artist proof print of his popular painting of the GZ titled, **Feather & Steel**. Finally, **Trains & Travel International** has donated two dome-class roundtrip tickets for the Railroad Days - **Feather River Express** from Emeryville to Portola and return August 20-22, 2010.

Help us kick off the fundraising for this important project by buying tickets for this special raffle at \$5.00 each or 5 tickets for \$20.00. Your support is very much appreciated!
