

FEATHER RIVER RAIL SOCIETY

DATE: September 2016
ITEM: New Business 2
FROM: Steve Habeck and Eugene Vicknair
SUBJECT: **Revision to Spring and Fall Hours / Open Days**

A few years ago, open days for September were set at Friday through Monday and October was weekends only.

With current staff agreements, we will have staff on property every day in September and October. Would recommend staying open entire week until museum closing.

Asking Board to clarify operational days / hours for September and October.

In addition, we are currently scheduled to open in early May. There was discussion this year to push opening back to early April.
