GRAEAGLE COLLECTABLES FAIR

There will be a collectables fair in Graeagle on November 11, 2017, a Saturday. We have been invited to attend and have a couple tables. We can sell anything we want, so model trains, any surplus small items, shirts, hats, RAL certificates, etc,

First table is \$20, extra tables \$5 each.

We can set up on Friday and take down Saturday evening or Sunday. I believe hours are 10 AM to 5 PM on Saturday.

As this is the Board meeting weekend, we would need to find 2-3 volunteers not going to the meeting or have our store employees work the show.

Need consensus direction if we will participate and how to crew the tables.
