Annual Report Pages added to Minutes & Reports Page

Last month I talked about the new Google Custom Search Engine I added to the [Minutes & Reports](#) web page. I added a new feature this month where all the reports for a given year are displayed on a single web page. For example, if you wanted to look through several webmaster reports, you previously would need to open the report page for each month. Now you can open the report page for the year and all the webmaster reports will be displayed for that year. You could use the search function (control-f) on you browser to easily step through the reports searching for "web". The reports are displayed with the date of the board meeting and then the report filename.

New FRRS/WPRM Merchandise at teespring.com

Last year we did a proof-of-concept promotion at teespring.com of a WPRM Coffee Mug. In general, everything seemed to work well, the product was of good quality and teespring.com provided good service. Working with Eugene Vicknair and Kerry Cochran, in an effort to generate some additional revenue for the FRRS, I set up additional merchandise (four mugs and a selection of WPRM and FRRS tee shirts and sweatshirts.) I put a link to the teespring.com Feather River Rail Society Store on the website in the Latest Museum News Column. teespring.com has us registered as a 501(c)3 organization so the 1099 next year will be done correctly.

General Items

2/8/19 – Posted February Board Meeting material on [Minutes & Reports web page](#).

2/9/19 – Updated February Board Meeting material on [Minutes & Reports web page](#).

2/10/19 – Updated material on [Minutes & Reports web page](#), next board meeting on home pages and calendar Upcoming Events.

2/10/19 – Put WP 2001 back in the RAL fleet on the RAL web page.

2/10/19 – Added the background check information to the Members->[Volunteer Information](#) web page.
