DATE: January 2021
ITEM: Director Report

ONLINE STORE

Work and the holidays kept Greg, Ann and I from connecting. Plan it to get together in the next week to review Online Store.

2021 PHOTO CALENDAR

Other than some we are keeping for archives and special gifts, we only have about 5 calendars left.

STORE PRODUCTS

I have donated some custom WP and SN logo stickers and WP logo magnets to be sold in the museum store.

HEADLIGHT ARTICLES

With help and thanks to Frank Brehm and Garth Groff, I was able to finish 3 articles for the Headlight over the holiday. I am working on getting photos together to support them. I have submitted 2 to the editorial staff and will submit the third this weekend.
