Date: February 9, 2021

October/November/December 2020 Issue #187

Due to a clerical error on my part, two international members' *Train Sheets* were not mailed in the first batch of mailings. I discovered my oversight on Monday May 25th and mailed them on Tuesday May 26th. The additional USPS postage was \$8.74. This issue had no USPS bulk postage actual cost adjustment, so the costs reported last month were final.
