## **FUNDRAISER MAILING**

The Spring 2021 Fundraiser has brought in over \$7,000 in donations.

## **2021 GRANTS**

The SBA Shuttered Venue Operator Grant had reopened for applications. I have the application 90% complete, but I need a code from a federal government website and had to do a registration with them. In doing that, I found some issues with our Dun and Bradstreet listing so I had to get that fixed. Hoping this all gets resolved and recorded soon to allow completion of the SVO Grant.

## **WP 705 FUND**

A donor has put up \$400 as a match for the WP 705 paint fund. So far, about \$50 has been donated to match. We need \$350 more.
