Mailtrain

We continue to have society members and the public signup on our “WPRM News” email distribution list on Mailtrain. We now have 310 active email addresses on the list. Last month we had 302, so we had a net increase of eight subscribers this month.

News from the WPRM – Spring has arrived!

On Friday, April 1st, I sent out a Mailtrain email blast to the 307 subscribers of the “WPRM News” list. It focused on crew training, the museum opening in April and the upcoming WP Historic Convention. I also posted the message as a news item on our [News Archive web page](#). One of the neat features of the Mailtrain system is on April 2nd a new person subscribed. The next day the system notified me of the new subscription. Then by clicking the “continue” button for the “Spring has Arrived” campaign, the system send the new subscriber the email.
