

## FEATHER RIVER RAIL SOCIETY

DATE: October 2022  
ITEM: Museum Store Report  
FROM: Eugene Vicknair

The WP 165 Feather Hats proved so popular that we had to make another order within one month. We also reordered two of the newer custom shirt designs that have proven very popular. We have found a new vendor for coffee mugs that have cool designs depicting the front of various locomotives. Two of their designs are Sacramento Northern GP7 712 and Western Pacific FP7 805-A. Those should be arriving shortly.
