

FEATHER RIVER RAIL SOCIETY

General Superintendent's Report

Kerry Cochran

Date: December 5, 2022

First off, with this report, I would like to thank all the volunteers and members who took the time out of their busy schedules to come and work at the museum this last year.

From all the reports that I have received, the Pumpkin Express trains and events were well received by the public and the turnout exceeded our expectations.

I have heard that the first weekend of the Santa Trains went well and all had a good time. Thank you goes out to Steve Habeck and his crew for getting everything cleaned up and the Santa Train setup for the event.

As we close out the year 2022, I would wish that everyone a happy and safe holidays leading into the New Year 2023.

As most of us know, we have several challenges before us for the next year in keeping the museum open, running and providing a travel destination for visitors.

I am hopeful that we all remain healthy and well for the next year and we can operate the museum as we expect.

With our dwindling number of volunteers, I would like to remind all of us that we all have families and other obligations and to please understand that when we come to work at the museum. All of our time is valuable and I for one certainly appreciate all your help.

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.

Thank you to all and have a great holiday season.
