## **2024 CONVENTION**

Our current plan is to revive the previous proposal from 2020 and hold the convention at the Gold Coast Casino and Resort in Oroville. This is where we were going to hold it until the COVID situation happened.

Tentative date is April 11-13, 2024. I will be calling the casino to see if the dates are open.

Looking for any input / thoughts from the Board.

## **2025 CONVENTION**

We are in preliminary discussions with Rio Grande Modeling and Historical Society about a joint convention. They have suggested the east end of the WP, ie: Elko, Wendover, maybe Ely. We have also discussed Salt Lake City again. Their preference would be a post summer convention. What would work best for us in that context is probably late September.

Looking for some thoughts from the Board.
