**Railroad Days Replacement Event**

---

Discuss opinions / options for holding an event in summer to replace Railroad Days.

- Discussion about holding our own Railroad Days style event.
- Noted that Todd Plimpton and Stan Peiler have offered to city to take over event next year.
- Steve Habeck noted that we have been approached to take over event, but we cannot support anything beyond the gate. All local events are suffering from lower volunteer levels.
- Habeck said we will see what the future brings. We may get some support from UP for heritage units.

- If we do an event, we will just do our regular Railroad Days events. Basically a busy operating weekend. Noted that some people schedule their vacations around Railroad Days.
- Discussed that dates have been issue the last few years due to late in August and interfering with schools, Plumas County Fair and Hot August Nights.
- Some members have suggested that we run some period freights as part of Railroad Days. Noted that this will put more strain on operations and crew.
- Discussion about dates and crew availability. Right now have 9-10 people signed up for crew training.
- Suggested that we not move date this year. Should see what new committee wants to do.
- Eugene Vicknair will get contact info for Plimpton and Peiler and set up meeting to discuss.
- Noted that Railroad Days weekends have always paid for itself and made us money.
- Discussion that goal for WP 165 steam up if it passes hydro will be around August.
- Eugene Vicknair to contact owner of "Chiggen" steam engine, Stathi Pappas to see what his schedule and cost looks like for Railroad Days 2019.

## **Good of the Order**

### **President's Report**

- Written report provided.
- Discussion about running rotary for John Bartell and doing fundraising to bring in money to help with expenses.
  - Noted that rotary is staged in a good place to move the rotary into position.
  - SP GP9 2873 needs prep and mechanical work anyway.
  - Rotary is in good condition.
  - Switches will need to be dug out. Will need to dig paths to reach equipment.
  - We are low on fuel, but would not need to buy fuel to run rotary.
  - Discussion about how to raise money on rotary run.
    - 6 seats in rotary in cab – eBay tickets, minimum \$250
    - Ride the caboose and locomotive – 4 people in 2873 @ \$150, 4 in cupola of DRGW caboose @ \$150
    - Watch the plow run – 10 spots to watch \$50
    - Multiple runs after to experience rotary operation – can ride caboose and locomotive for ticket, rotary cab ride will be \$20 per ride
  - Snow over rail for entire yard for about 1 ft. Will be throwing snow down lead. About 3 feet of snow over rail from sewer crossing around corner about ¼ of balloon. About 2-3 feet out near signal shack.
  - March 22, Friday. 10 AM gate opens, 11 AM first run. No guarantee on snow. Refund if not run.
    - Park at own risk, dirt / mud parking area.
