1/11/2014

Listed below are objects deemed surplus by the Collections Management Committee and are hereby recommend for De-accession. The Committee recommendation for re-categorization is included.

1. Kennecott Copper 3 - Parts
2. SPI 1100 – Utility (RAL)
3. FR&W 1 - Disposal
4. UP 900002 Wedge Plow - Disposal
5. SPMW 208 Rotary Plow – Utility (Display)
6. SPMW 8221 Power Car – Utility (Display)
7. WPMW 10 Krane Kar - Disposal
8. Airstream Trailer - Disposal
9. WPMW 90 Crane - Disposal
10. WPMW 8674 Boom Car - Disposal
11. WPMW E14 Burro Crane - Disposal
12. WPMW 71 Weed Burner - Disposal

14. Mopac Baggage Car – Utility (Storage)
15. NVR 51 – Parts or Disposal
16. WP 11509 – PS2 Hopper – Disposal
17. O&NW 3 - TBD

As with last year, the Board may elect to approve the list as submitted, or approve individual pieces on a line-by-line basis. Once again the de-accessioning of an object in the collection does not necessarily mean it will be disposed of, merely re-categorized. Any disposal actions are at the discretion of the FRRS Board.

Respectfully Submitted,

FRRS Collection Management Committee
