

FEATHER RIVER RAIL SOCIETY

DATE: May 2016
ITEM: New Business 1
FROM: Eugene Vicknair and Steve Habeck
SUBJECT: **Revised Opening Weekend**

In looking at the number of visitors we had this past month, it is proposed that starting in 2017 we revised our initial opening weekend to the second full weekend in April, corresponding with the Board Meeting weekend.

This would be museum open daily, but not to include caboose train rides. Those would remain starting on Memorial Day weekend.

Requested Action: Approval by the Board to move museum opening to the second full weekend in April starting with the 2017 season.
