Welcome Brochure

At the last FRRS Board Meeting, I showed a draft version of a new *Welcome* brochure that I proposed we give to each group when they paid admission at the Museum Store. I sent a slightly updated version to KC in the store on June 7th and it is my understanding she has been giving them out to the public. I sent her a slightly updated version on July 10th. I have not gotten any feedback, but I hope it is being used and adds value to our visitors' experiences.

Wig-Wag Tour Item

I created a new Museum Tour item for the Wig-Wag signal. When I tested the embedded video, I discovered a side effect of converting to SSL last summer. One of the scripts from YouTube did not use https in its href. All of our embedded videos failed to load for this same problem. I fixed all the references. What disappoints me is no one had either noticed the defect or failed to report it to me for almost a year. Like they say at the airport, if you see something, say something. This defect had been on our website for almost a year, but it only took me ten minutes to fix once I knew about it.

General Items

5/31/19 – Posted agenda, approved minutes, reports, etc. to Minutes & Reports webpage.
