

Historical/Archive Department Report

11-3-2019

Donations continue to be sent, dropped off, picked-up and received by the museum.

Should any member receive a donation, please contact the Museum Store (they have a donation form) and/or me and we can place the materials in the container for safe storage until they can be processed.

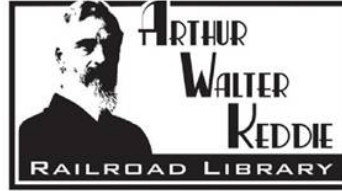

The new HVAC/Humidifier system. This will be an entirely new system for the archive car and the units have been ordered. Member Ed Powell (who is a HVAC Tech) will be donating his time to get this installed and working for the museum. Ed Powell has continued to work on this project and it is close to being completed. On-going work continues on the archive car.

Ethan Doty and KC in the museum store, have been helping in making sure that items dropped off at the museum get placed into the container, which has a special spot marked for the Historical/Archive Department. This makes it easy to have all the donations in one place so that nothing gets misplaced. KC has also been very good at letting me know when things arrive and sending me an inventory so that I may send out donation letters. This is a big help during the months that I am not at the museum.

Other members also take part in receiving and notifying me of donations during the winter months when the museum is closed, thank you to all.

I have been fortunate to have Frank Brehm, Paul Finnegan, Kenneth Finnegan and Eugene Vicknair as resources on the Historical/Archive staff to help me in obtaining answers, or the correct resource to look for answers, for these inquires.

There are several members that have helped with the archives that it goes beyond me just saying thank you. The help I receive is great and I could not do it without this help from all the members.

If you have not visited the Historical/Archive Department web page recently, please consider looking at them to see “What’s New” in the Western Pacific Documents page.

[http://wplives.org/wphistory\\_wp\\_documents.html](http://wplives.org/wphistory_wp_documents.html)

We continue to add more materials to the Historical/Archive web pages. Please take time to view the Historical/Archive web pages and see what’s new.

### **Needs for the Archives:**

We are always looking for help in getting materials properly stored and we need the support of the membership with helping supply storage materials for the archives.

Items listed below are still needed to help keep our collection stored properly and should you wish to help us out, we certainly would like your donation and help.

- Computer Program to track all the Historical/Archive items
- Archive Storage boxes for 35mm slides
- Archive Storage boxes for 8 1/2 X 11 materials

Should any member receive any donation and/or get an inquiry about a donation, please get in touch with Eugene, Frank, myself or any member of the board of directors so that we may follow up with the donor to make sure we properly address the donation or inquiry.

I would also like to thank all the volunteers that help us in the Historical/Archive Department.

Kerry Cochran  
Director, General Superintendent
