Re: Museum Web Page
Date: April 7, 2020

COVID-19 Update

My focus this month was to communicate the latest information about the FRRS Convention and things related to how the museum and society were addressing the current health emergency to the membership and public. Multiple website updates were made as information became available and conditions changed.

Among many other things, I disabled the 2020 Crew Training Signup System until the Operating Department's proposal for training this year is approved by the FRRS Board of Directors.

RAL Page

I have created a new web page for the Run a Locomotive program based on inputs from Eugene Vicknair from the last FRRS Board meeting. It is not released to the public pending Eugene's review and approval.

General Items

- 3/11/20 – Posted March Board Meeting Preliminary Agenda on the [Minutes & Reports](#) webpage.
