

## **FEATHER RIVER RAIL SOCIETY**

DATE: June 2020  
ITEM: Department Report  
FROM: Funding Department - Eugene Vicknair

### **GRANT APPLICATIONS**

One of the COVID-19 support grants was denied, but another application window is now open and I am resubmitting.

I am also completing a grant request to the North American Railway Foundation for about \$200,000 to repair and rebuild our entrance road.

### **COVID-19 DISASTER LOAN and PPP SUPPORT**

As reported earlier in the meeting, we have been approved for an SBA Disaster Assistance Loan.

Reports are that the Payroll Protection Program will reopen soon. I will resubmit our application for that program.
