MAIL OUT FUNDRAISER

The mailout fundraiser went out mid October. As of this week, we have received about \$11,000 in donations and new memberships. The biggest surprise has been the new memberships, which is now over \$2,600. We have covered the cost of the fundraiser.

SBA DISASTER LOAN

I have been in contact with the SBA and working on ways to push the loan application along. I have resubmitted the entire loan package along with several additional new documents that an advisor recommended I include.

WP 705 REPAINTING

Another \$500 match donation has been pledged last Wednesday. As of Friday, we have received an additional \$60 toward matching the \$500.
