

FEATHER RIVER RAIL SOCIETY

DATE: March 2021
ITEM: Funding Department Report
FROM: Eugene Vicknair

FUNDRAISER MAILING

I have prepared a Spring 2021 mailout fundraiser. Expected cost is about \$750 for printing and postage. Copies of files are included with this report. Please review and offer any comments. If Board gives consensus, I will get this started using already approved budget.

2021 GRANTS

I am working with David Elems on a grant application to benefit the mechanical department. Also still working on other SBA and California COVID Support Grants. I have also had a meeting with Gabriel Hydrick, County Admin, about working with the Society on large scale grants.

Also, Congressman LaMalfa's office continues to be very helpful in identifying grants that are of use to us. I have had several calls recently with Shane Starr and will be meeting with him in late March.

FUNDRAISING THANK YOU LETTERS

All but 3 Thank you letters were mailed out two weeks ago for 2020 donations. The rest were handled last week.
