WP Mileposts

As reported last month, Steve Baldwin and I have been working on posting all the issues of the WP employee magazine, *Mileposts*, on the website. We completed the project on 4/20/21 with all 255 issues posted.

SN Birney #60

I received an email from Waldo Lahr who was interested what SN Birney #60 looked like in color. He took a photo off our website, colorized it, and then sent it to me to share with others. I added it to two pages, SN Chico and SN - Birney.

Mailtrain

We continue to have members and the public signup on our "WPRM News" email distribution list on Mailtrain. We now have 202 email addresses, 22 have joined in the last month. I plan to use this tool to send out a Museum Opening press release in the near future once approved.

Around the Museum 2021 Gallery

To date I have received no photos from anyone for this year's "Around the Museum" photo gallery. Therefore, I have not started it. I rely on people in Portola for the bulk of these photos. So, if you are doing something at the museum, please take a moment and take a photo so we can share with the members and public.
