---

### **General Superintendent's Report**

**Date: November 8, 2022**

I am saddened to report that FRRS friend and charter member of the society, Jack Palmer passed away this last Monday November 7<sup>th</sup>.

Jack's love for the Western Pacific Railroad spilled over to all things railroad including his love for modeling railroading and the Western Pacific Railroad Museum. Jack will be missed by all.

I would like to thank all the volunteers who took the time out of their busy schedules to come and work at the museum this last operating season.

From all the reports that I have received, the Pumpkins Express trains and events were well received by the public and the turnout exceeded our expectations.

I would like to thank all the members, local community and others that helped make this event a success.

Please remember that the next event is our Santa Trains, we still need volunteers to handle this event.

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.

Director/General Superintendent
