

FEATHER RIVER RAIL SOCIETY

General Superintendent's Report

Kerry Cochran

Date: May 9, 2023

While we move out of the winter season, I want to take the time to thank all the volunteers that took time during the winter to help keep the museum in shape and to work hard to get ready to re-open for the season.

Thank you all for keeping us going, I hope that all the members will appreciate all your work.

We need to reach out to all our volunteers and welcome them back to a new year at the museum and support each and every one of them.

All of our time is valuable and I for one certainly appreciate all the help all the volunteers give to the museum.

There is a lot of work ahead of us for this year and there are several events planned for the month of May. Please remember to check the museum calendar on the FRRS website for current activities.

Our Joint NMRA/PCR/FRRS 2023 Convention is over. I hope that all the members that were able to attend had a good time. (More on the convention in the convention report).

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.

Thank you to all,

Kerry Cochran

Director/General Superintendent
