

Museum Sponsors

The Western Pacific played a major role in developing the economy of Plumas County and the surrounding region. The Western Pacific Railroad Museum is proud to be a part of that heritage and to hold a position in supporting the ongoing economic health of our community. We welcome the support of that community in return. Helping to preserve the Western Pacific is good for tourism, good for our regional culture and good for business.

We ask our members and visitors to support our business sponsors, companies who have generously contributed to the museum and its mission to preserve the Western Pacific family.

If you are a business owner, see how you can support the WP Museum, your community and improve your advertising and networking outreach through our sponsorship program. See www.wplives.org/sponsors_how_to_become.html to learn how.

New Modeling Items on Website

- Paul Finnegan

We have recently greatly expanded the material related to modeling the Western Pacific Railroad on our society website. We invite you to explore the new material under the Historical/Archive Department home page, which can be found on the Museum pull-down menu.

We plan to continue to add material to the H/A web pages every month. If you would like your modeling featured, please contact the webmaster, Paul Finnegan, or the H/A Department Manager, Kerry Cochran.
