

FEATHER RIVER RAIL SOCIETY

DATE: October 2020
ITEM: Funding Department Report

MAIL OUT FUNDRAISER

After discussion with Patty Clawson and Greg Elems, it was decided to hold the mailout fundraiser for a couple of weeks to let people get some time past the fires that were in the area several weeks ago. With the major fires not threatening Plumas County and the greater Bay Area, the fundraiser went into the mail on Wednesday, 10/7. We also have updated the website to reflect this.

SBA DISASTER LOAN

The SBA has reviewed my reapplication for our loan request and informed me last week that they will be reopening our request and doing a full review.
