## **General Superintendent's Report**

**Kerry Cochran**

**Date: August 5, 2024**

**Frist off, I would like to thank all the volunteers and members who helped set up and supported the day of the Big Boy event.**

**Several members that we have not seen in several years came to the museum to help out with this event.**

**I would also like to take the time to thank all of the FRRS friends for helping make this another great event for the FRRS and the general public.**

**Several of our members worked for weeks to get prepared for this event. Their hard work paid off with most things working without too much trouble. The days were hot and long.**

**I suspect that we will see the benefits from this event in the future and this also helped out the museum budget.**

**All of our time is valuable and I for one certainly appreciate all the help all the volunteers give to the museum.**

**Please support all our volunteers and say "Thank You" to them as they perform work around the museum. We need to show that each and every one of the volunteers mean a lot to the work we do and that each of us in management positions appreciates the time and work they do.**

**At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.**

**Thank you to all,**

**Kerry Cochran**
