

General Superintendent's Report

Kerry Cochran

Date: September 11, 2024

As our 2024 operating season comes to an end, I would first like to thank all the volunteers who helped out this summer with our caboose trains.

I would also like to thank the Mechanical Department for keeping the locomotives in good running shape so far this year. While Nick Manos has stepped up and has become the assistant CMO, and all the other volunteers who have helped give David Elems a hand, we still need to have some work done on other locomotives to return them to operating condition.

I would like to also thank all the volunteers and members who helped set up and supported the day of the Big Boy event.

I also need to thank all the volunteers who came out and helped out during the operating season.

Brian Waller has stepped up and assumed the position of Facilities Manager. Thank you, Brain,

All of our time is valuable and I for one certainly appreciate all the help all the volunteers give to the museum.

Please support all our volunteers and say "Thank You" to them as they perform work around the museum. We need to show that each and every one of the volunteers mean a lot to the work we do and that each of us in management positions appreciates the time and work they do.

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.

Thank you to all,

Kerry Cochran

Director/General Superintendent
