

Historical/Archive Department Report

10/8/2024

Moving into the winter with the museum closed, we will continue to work behind the scenes on several projects. We will continue to intake donations, prepare documents, scan slides and general work that can be done remotely.

This is just a start as to what we envision on releasing to our members and public. Please understand this is a **“Work in Progress”** and several collections have not been inventoried or processed as of yet.

Each month we release new materials to the archives pages. Please be on the lookout for these new items. The new material is announced in the Latest Museum News column on the website.

If you have not visited the Historical/Archive Department web page recently, please consider looking at them to see “What’s New” in the Western Pacific Documents page.

We still need help in getting funding and storage materials for the Archive Department. Should you be able to help out, please let us know!

Should any member receive any donation and/or get an inquiry about a donation, please get in touch with one of the archive staff or the archive committee to make sure we properly address the donation or inquiry.

I would also like to thank the members who are at the museum taking in archive donations when I am not available. These members perform the needed help that I need when I cannot be at the museum.

Thank you to all the members of the FRRS/WPRM who contribute to the society and the archives.

Director, General Superintendent, Archive Manager
