

Old Business 1

Notes on Agreement with White River Productions:

Rev 2 9/30/2024 (Questions and Answers with Kevin EuDaly)

Item # 4 Submission and Publish Dates:

Currently our publication schedule is two times a year (prior to our Convention and October)
Makes no difference to White River how many issues we decide to publish. (several other historical societies publish one or two issues a year and some publish more)

Item # 8 Ownership of Manuscripts:

Add: Publisher will return one print read PDF file to Owner for future use and copy to Owner archives
Yes, White River will send back a print ready PDF and/or an emailable copy, whatever we want.

Copyright holder:

The FRRS remains the copyright holder

Number of copies printed each issue:

The number of copies printed and mailed are adjusted with each issue to what we want (no additional costs) Several other organizations do this with them

Hobby Shop Sales:

White River will take care of Hobby Shop sales at their expense. We can still sell to hobby shops if we want. There is no issue with us selling our magazine in our museum store. (This will give us more exposure to other areas where we do not currently have the magazine)
