All applications and deposit have been sent to the California State Railroad Museum to confirm use of the CSRSM facilities for September 11-13, 2025.

The committee has been looking at alternate banquet venues. Leading site is the Delta King, which is also willing to do discount room blocks.

We are starting to lock down events and presenters. I have emails in to several past presenters and Kerry is also seeking presenters.

PROMOTION and REGISTRATION

Goal is to have the convention costs and details announced by end of March and be taking registrations.
