STORE INVENTORY and POINT OF SALE / ONLINE STORE

Unfortunately, work and family issues ended up extending my work on the inventory. It is now complete aside from some final checks and will be sent to Susan and Cheryl on Monday.

I am planning to have the online store fully back up by Monday, with some final clean up on the main Point of Sale going into next week.

FUNDRAISING

BNSF Foundation

- Application for shop safety equipment nearly complete.

UP Foundation

- Application sent for stairs for the UP 6946 under purpose of safety improvements.

Sons of the Native West

- Working on application after inventory complete for work on the UP 6946.

Whitman Building

- Working to complete bid packages.

Spring Fundraising Letters

- Preparing to mail these out after finishing the Whitman bid packages and store POS work.
