

FEATHER RIVER RAIL SOCIETY

DATE: July 2025
ITEM: Event Reports
FROM: Eugene Vicknair

2025 WP-RG JOINT CONVENTION

REGISTRATIONS

We have approximately 24 registrations so far. A couple new registrants and one had to cancel.

MAILER

The Convention mailer is in the mail and should be getting received. We had a little snafu with the non-profit mailing permits.

VIRTUAL CONVENTION

TSG Productions will be providing recording of presentations and presenting a virtual convention for those who cannot attend in person. The virtual convention cost will be \$25.

MOTORCAR OPERATIONS – July 5-6

The West Coast Railroaders Group brought 3 motorcars to the July 5-6 weekend. We split operations with motorcars in the morning, then caboose trains, then motorcars again. On Saturday night, Eugene Vicknair cooked dinner for the volunteers and motorcar operators.

Huge thank you to Matt Parker, Gail McClure and Steve Hart who operated the cars and gave every riders a great experience.

FALL EVENTS

We should start planning for Portola Railroad Day and the Pumpkin Patch Express NOW. We need to reach out to the community for someone to run the Haunted Railcar. Patty Clawson was going to reach out to the local youth clubs to see if anyone wants to do cookie and / or ice cream sales for these events. We also need to find a food truck. I have attempted to contact We Cook For You but have received no answer.
