DATE: October 2025
ITEM: Event Report
SUBJECT: 2025 WP-DRGW Historical Convention

The 2025 Convention was very well received and we got a lot of positive comments on it. Final attendance was over 100 and we had 19 take advantage of the virtual convention option, including one in person sign up who came down with COVID and could not attend.

The CSRM and Delta King staffs were excellent and CSRM folks in particular helped us handle some issues that came up.

We did have 2 presenters who were unable to attend at the last minute (one illness, one car accident) but we had backup shows in place and covered the gaps.

Final accounting report is in process, but we did clear our break even and made money on the convention. Split between FRRS and RGMHS is also being worked out.

More details and specific thank yous will be in the final report with the financial accounting.
