Greetings,

Only *Classic Trains* magazine brings you the last of steam, postwar streamliners, and colorful early diesels. Each issue delivers your message to an unbeatable audience of people passionate about railroading. Our active readers buy railroad books, videos, memorabilia, excursion tickets and more. It's the ideal venue to market items pertaining to railroad history. Call us today to promote your message in the pages of *Classic Trains*.

#### Spring 2026 editorial highlights:

- Conrail's 50th anniversary celebration, featuring:
  - A retrospective on the important role Conrail played in saving Northeastern railroading by Brian Solomon
  - Railroad Safety Conrail style by Peter Dolan
  - Conrail system map
  - A Conrail predecessor photo gallery
- Southern Railway's Fairbanks-Morse powered motor cars by Jerry Pinkepank
- Early motorcars on the Southern Railway
- The wreck of Canadian National No. 5 by Ken Chrysler
- Chasing US Steel F units by Steve Glischinski
- Chicago's Terminal Railroads by Lucas Iverson
- Riding Canadian National commuter tank engines by Jack Swanberg

**PLUS:** True Color, Head End, The Way It Was and more!

Features subject to change.

**In print and digital, *Classic Trains* is simply the most efficient media buy for sellers of railroad history items. Please reply to this message to learn more and to reach this passionate market.**

*Reply to this message or call me to reserve your spot.*
