

General Superintendent's Report

Kerry Cochran

Date: December 5,2025

As our 2025 season is coming to an end, with only Santa Trains left this year, I hope that all of the members and volunteers have a great holiday season.

I understand that the Pumpkin Express event was well attended and the museum had several visitors that came to enjoy the events and the museum. Thank you to the volunteers who attended and helped out

Santa Trains are next on the event schedule. I know several members and volunteers are hard at work making sure all the preparations are getting done.

Thank you goes out in advance for all the help to make Santa Trains a success.

While we move into the winter and with the museum closed, some of our volunteers will be preparing the museum for the winter. Please give them a hand if you are available.

Thank you to all the members and volunteers for all the help in 2025. Hope to see you all in 2026.

Please support all our volunteers and say "Thank You" to them as they perform work around the museum. We need to show that each and every one of the volunteers mean a lot to the work we do and that each of us in management positions appreciates the time and work they do.

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.

Thank you

Kerry Cochran Director/General Superintendent
