IMPORTANT INFORMATION

We recommend that passengers arrive at least 20 minutes before the train is scheduled to leave. Train may be subject to delays beyond the control of AMTRAK, or PRM.

Weather at this time of year may vary. Dunsmuir is usually cooler than the valley. Bring appropriate clothing. Comfortable, closed-toe walking shoes are recommended for your safety.

Wheelchair access is not available at all stations, but we will make every effort to assist and accommodate disabled passengers. Advance arrangements must be made.

You are welcome to bring your own food and drink (no hard liquors, please), but we have no facilities for keeping your food cold or hot. There will be an AMTRAK snack bar with a variety of foodstuffs on board.

Train travel is a relaxing form of transportation. While enroute, you may leave your seat and explore the public areas of the train. You might join in a friendly game of cards, or listen to some fascinating life stories. Maybe you have one to tell, too.

TICKET CANCELLATION POLICY: We will give full refund for cancellations received by May 7, 1997. There is a 25% penalty for refunds requested between May 7 and June 6, 1997. No refunds will be made for cancellation after June 6, 1997. **INFO: (916) 892-9031**

Ride the Dunsmuir Daylight

Take a scenic daylight ride on an AMTRAK train through the Wonderland of the Shasta Lake Recreation Area and the wild Sacramento River Canyon to the Dunsmuir Railroad Days celebration while supporting the American Cancer Society and the Portola Railroad Museum. The train takes you through some of the most beautiful areas of Northern California, not usually seen by other travelers. While you relax on board the train, you may visit the snack bar, visit with your friends and meet new ones!

The train will reach Dunsmuir midday, allowing you time to see the parade, visit the craft booths, and look around this historic railroad town. Mid-afternoon we will re-board the train for your relaxing return trip. Car hosts from the Portola Railroad Museum will be on board to answer your questions, point out historical sites and other points of interest along the way. This will be a day to remember! A portion of your remittance in excess of the "fair market value" may be a tax deduction. The fair market value estimate is 2/3 of the ticket price. Proceeds will be divided equally between American Cancer Society and the Portola Railroad Museum.

Call (916) 892-9031 for tickets.
