HELP PRESERVE THE WESTERN PACIFIC

Your contributions help tell the story of the Western Pacific and its people. Our members and volunteers also take an active hand in operating the museum, restoring and maintaining our rolling stock and building up our archives.

The Society produces two publications: *The Train Sheet* is the official news source concerning current events of the Society received via email and *The Headlight* is a color magazine featuring articles on the history of the WP system. (*The Train Sheet* has paper option for extra fee. See website.)
