## Keep Safety Top of Mind

- Stand back at least 25 feet from all active railroad tracks.
- No coolers or oversize bags, and no chairs, step ladders or any other standing platforms will be allowed in the Big Boy viewing area, except those used for mobility assistance.
- Railroad tracks, trestles, yards and right of way are private property - do not trespass.
- Never assume tracks are abandoned or inactive - ALWAYS expect a train.

NOTE: Schedules and events subject to change. The FRRS is not responsible for any changes to the event caused by outside factors such as mechanical breakdowns or schedule changes.
