EDITOR'S CORNER by Shannon Smith

Hi! I am the new editor of the TRAIN SHEET. As you can see by the front page I don't have a photo for this issue. I have several photos of WP equipment but I need to have them enlarged for the front page. In the time if you have any photos relating to WP that you would like to see in the TRAIN SHEET please send them to me at the Portola address. I will return all photos. Remember the photo needs fit on the front page with margin on the sides.

All articles & photos MUST in bе my hands 3 days before we t.o go the printers. For the May. June TRAIN SHEET I MUST have the artlater icles & photos no than May 21st. If you have any gestions please let me know.

GIFT SHOP NEWS by Robin Smith

Hi! I'm the new Sales Manager of the Gift Shop. I'm very excited about working hard to continue to make the gift shop a success for FRRS.

During this summer our Gift Shop will be open daily from 10 am to 4 pm during the week and 10 am to 5 pm on the weekend. If anyone is interested in helping out either during the week or on the weekends please let Norm Holmes know or write me c/o FRRS, P.O. Box 8, Portola, CA 96122.

From June 2-5 I will be attending the NMRA PCR Convention "Rails to the Redwoods" in Santa Rosa, CA as an exhibitor. If anyone would care to help me at the convention please let me know. I hope to see a lot of FRRS members there.

## WORK PARTY II

Work Party II is coming up Saturday and Sunday, May 21 & 22, last and if it's like year's event, much gets accomplished and everybody has a good time. Projects for this weekend clude: much heavy work on Zephyr unit, 805-A is planned. Dave McClain is pulling pistons and liners and repacking them, also preliminary body work may be done. Other units in our collection need a good "hosing" including F7 921-D; Roger kama has done preliminary vey work for realigning the loon track and muscle will needed for track work. Steve Milward and Dave Waters are coordinating the replacement of the rest of the window panes in the diesel shop. Also cluded in diesel shop work will be the moving of all equipment inside to the outside οf shop, taking down the paint booth for storage in the followed by a general clean-up of the diesel shop area. Wayne Monger is still drawing the feather on the roof of the museum and painters will be needed to complete the logo. A general clean-up of the grounds, engines. and work on cabooses and vista flats is planned. The more help we have, the more we can get accomplished. results of last years work weekend were very gratifying to all involved and much comraderie gained from working with fellow railfans in a common of bettering our facilities in an organized environment. Like last year, the museum will provide, free of charge, and dinner on Saturday and breakfast on Sunday in the diner. evening we are schedu-Saturday ling a training session for operations which will be led bу appropriate experts from our

membership. Please take the opportunity to fill out the form below. This helps me determine how much food to prepare what jobs we may be able to accomplish and possible job placement. You'll find me in the meeting room Saturday morning and sign-up sheets will be displayed for the jobs being undertaken. Everyone is welcome! Bring your friends and family. Bring gloves and if you have tools, bring them just in case. Accomodations may be had at the local motels or first-come-first-serve in our collection of cabooses. A shower is available this vear (thanks to Steve Milward, John Walker, and others)! Even if the weather is bad we still can do much in the protection of diesel shop.

Thanks and see you that weekend.

by Doug Jensen

## AROUND THE MUSEUM CON'T....

River Feather Members of the work resumed have Short Line on their steam engine, No. John Marvin built and installed Boynton new window frames. Jim on the and Mel Moore were working air brake system and completing the jacket bands. John pumped of used several hundred gallons motor oil into our tank car to be used for fuel. The 10,000 gallon capacity car almost ís 8 will full. It is expected No. be under steam for our Memorial Day opening.
