Mission Statement

"The Feather River Rail Society is dedicated to the preservation, interpretation and education of the public, as to the history and people of the Western Pacific Railroad."

Mission Goals

To preserve and interpret the history of the WP, the "Willing People" as a vital link in the development of the rail industry on the West Coast, including the steam and diesel evolution, WP's influence in the passenger tourism industry, the impact of freight competition between neighboring railroads. WP's influence in the lumber, mining and agriculture industry from Plumas County throughout California, Nevada and Utah.

FROM THE PAST

Western Pacific GP7 705 waits for its next call to duty at the Rio Grande Yard in Salt Lake City, Utah. Some DRGW power keeps the 705 company on the next track over. The 705 survived to the UP merger and went on to work for the Arizona Central and OmniTrax. Today, it is saved at the WPRM. Plans are to restore the 705 to full operation for use in the Run A Locomotive program.
