Volume 1, Issue 2

June 1983

Hi Rails,

Twenty persons attended our second meeting - best attendance yet!

Museum progress (slow the big corporation wheels turn slowly) was discussed along with the club's name. Several names were suggested, but no action was taken. It was decided to hold a special meeting in June to pick a name. Among the names suggested were:

PLUMAS RAIL ASSOCIATION
PLUMAS RAIL SOCIETY
PLUMAS RAILROAD HISTORICAL SOCIETY
FEATHER RIVER RAIL SOCIETY
SIERRA RAILROAD SOCIETY
HIGH SIERRA RAILROAD SOCIETY
FEATHER RIVER RAILROAD HISTORICAL ASSOCIATION
PORTOLA RAILROAD HISTORICAL SOCIETY
FEATHER RIVER RAIL ASSOCIATION

If you have a choice or another suggestion and can't attend the next meeting, please indicate your choice to Norman Holmes, (deleted) or Mel Moore (deleted).

Dues were collected (\$10. per each) and we now have twelve paid members and already have expenses. Incorporation and tax-exempt status is needed to receive donations and this will be expensive.

MEETING NOTICE JUNE 13 – 7:30 PM

A special meeting will be held at the home of Mel & Bev Moore, (address deleted), Portola. To find it, go north on (deleted) to the end, turn right and it's the first house on the left. Slides will be shown after the meeting - bring a few along.
